Neon Angel is a unique and personal body of work. In it, her lyrics are visual and socially relevant, yet intimate, poetic and immediate.

Nancy Bryan / Neon Angel

Arts proudly presents the renowned guitarist Edoardo Catemario in these three works, pieces which reveal their composers' fascinations with the tango.

Gerard Zuchetto studies the poetical and musical works into original manuscripts. By digging into the roots of trobar, he searches for an authenticity and an interpretation of the canso from days gone by.

Zuchetto / *I Trovatori XII-XIII Sec.*

Lauren blends the sensuality and vulnerability of Norah Jones with the vocal range of Linda Ronstadt combined with a voice that exhibits both emotional depth as well as nuance and delicacy!

Moody Blues / A Question Of Balance

The Stockholm Academic Male Chorus led by Karin Winther greets spring on one of the finest performances of massed male voices ever recorded, with a wide and deep soundstage and glorious sonics!

Valkommen Till Varen

Offenbach / Gaité Parisienne

Two sparkling ballet scores from the great master of light classics with the champagne touch. Filled with waltzes, polkas, the inevitable Cancan and the timeless Barcarolle, these buoyant performances never touch the ground.

DVD-A

The Beach Boys / Pet Sounds

Considered by many to be Brian Wilson's great masterpiece, Pet Sounds combined some of the richness and depth of Phil Spector's most ambitious productions with radical arrangement ideas.
